

Whitfords After School and Vacation care

This month has been moving fast and we are almost at the April school holidays. Together with staff, the children have been discussing ideas for Easter craft activities and are looking forward to the Easter Bunny coming.

There are many exciting activities planned for the school holidays such as going to the movies, superhero dress up day, the water park and Penguin Island!

We please ask that children are dressed appropriately for excursions and ensure that they have a shirt that covers their shoulders, a hat that protects their face and appropriate footwear to reduce the risk of an accident.

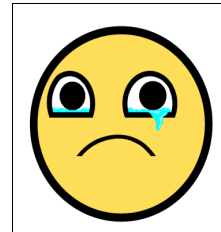

If you would like any further information on any of these topics please approach Laura or Jennifer.

Goodbye Laura

It is very sad to announce that our beloved Laura (co-coordinator) will be leaving us at the end of the April school holidays. We would like to thank her for the amazing job she has done, she will be missed dearly by all the children and staff.

We hope to still see her around for relief until she is snapped up by a school.

Replacing Laura will be Jennifer who has been with the Centre for 7 years and may be a familiar face to some.

Meals for Children

We would like to encourage all children to bring healthy and appropriate foods when attending our vacation care program. Please take into consideration that the Centre's policy states that no nuts or nut products should be brought into the Centre at any time. i.e. This also includes Nutella.

Updating Allergy and Medical Information

We are currently updating our allergies and medical list, If your child has any allergies or on going medication please see a Dingo staff member to collect the appropriate forms.

This is very important so that all staff are aware of special dietary requirements and medical problems to provide the best care for your children.

Active After School Care:

This term the children have available to them an opportunity to participate in volleyball and netball.

The children will learn skills such as hand eye coordination, team skills, fairness and plain old HAVING FUN!

Hours of Operation

Mon-Friday during term:

3.00pm—6.00pm

Mon-Friday during school holidays:

7.00am—6.00pm

Please advise the staff if your child is not attending their booked day.
